First Time Log-in

Once you click on **Continue** from the initial New User Account Setup, it will log you into Employee Self-Service. Depending on the roles set up for you by your employer, your screen could have one, two, or more subjects listed on the left side menu. Here is an example:

Pay History

Pay History is a record of each check stub available in iSolved. The history at the top of the page is by year and check date. It includes "Gross Pay," "Total Hours," "Net Pay," "Check or Voucher Number," "Check Amount," "Description" and "Payroll Run #."

In order to see more Pay History, use the scroll bar on the right-hand side of the menu, or change the **Year** in the drop-down box.

The screen default will be a view of your most current pay stub. The top of the pay stub is a summary of dates and employee information, including withholding status.

The next section contains **Earnings or Memos**, **Deductions** and **Taxes**. These figures include the current pay hours or dollars and the YTD hours or dollars. It also includes the current and taxable wages in the Tax section for each type of tax listed.
